DIVING
GRAND PRIX
2021

 **BOLZANO BOZEN**
the City for Divers

The FINA Diving Grand Prix is a prestigious annual diving circuit which gathers the world's diving elite over a circuit which stops in different continents. However, due to the unchallenged context posed by the COVID-19 pandemic, the 2021 edition will only be organised by experienced and professional host Bolzano (ITA) from July 2-4.

The Grand Prix represents a unique opportunity to enhance the visibility and media exposure of diving worldwide. It provides a platform for divers all across the world to practice at an international level, close to their home.

With the active support of our National Federations, sponsors and partners, and TV networks, the FINA Family celebrates the sport by making it accessible in different regions around the world, by attracting more athletes, more organisers and more spectators, years after years.

In these unprecedented times, I would like to take this opportunity to express my gratitude and sincere appreciation to the Italian Swimming Federation (Federazione Italiana Nuoto) and the local organisers in Bolzano for welcoming the only leg of the FINA Diving Grand Prix 2021. Their commitment, efficiency and support are key factors to the success of this event.

Good luck to all the participants in the FINA Diving Grand Prix 2021!

CAPTAIN HUSAIN AL MUSALLAM

FINA President

A nome della Federazione Italiana Nuoto e mio personale rivolgo il benvenuto ad atleti, tecnici, dirigenti e giudici di gara giunti a Bolzano per partecipare alla 26esima edizione del Fina Diving Grand Prix 2021. In quest'anno particolare, segnato dalla pandemia, con tutte le difficoltà oggettive che ne conseguono, siamo i primi e finora unici ad organizzare l'evento

in presenza, sempre nel pieno rispetto delle misure di sicurezza e prevenzione. Questa di Bolzano è infatti la seconda tappa del circuito mondiale di tuffi ma la prima con gli atleti presenti, dopo quella virtuale in Canada dal 27 al 30 maggio, in cui tutti i partecipanti erano collegati dalle rispettive sedi e si esibivano nelle proprie piscine di allenamento.

La prestigiosa manifestazione internazionale, in programma nella Piscina Karl Bibiasi dal 2 al 4 luglio, coinvolge oltre 100 partecipanti e 13 nazioni. Sarà l'occasione per rivedere in gara anche gli atleti della Nazionale maggiore - che tanto bene hanno fatto ai recenti campionati europei a Budapest conquistando sette medaglie (2 d'oro, 3 d'argento, 2 di bronzo) e aggiungendo tre pass olimpici ufficiali a quello di Noemi Batki, in attesa di eventuali ripescaggi - e quelli della squadra Nazionale juniores, di rientro dagli europei di categoria a Rjeka.

Al fine di valorizzare la cultura dell'acqua, sulla scia del successo tecnico e mediatico degli scorsi anni, alla città di Bolzano, una delle capitali dei tuffi, spetta quest'anno l'onore e l'onore di aprire le porte al ritorno verso la normalità. La località, legata alle grandi gesta delle famiglie Dibiasi e Cagnotto, si appresta a vivere, proseguendo la tradizione, una tre giorni intensa sotto tutti i punti di vista: tecnico, sportivo, sociale e logistico.

Certo di assistere a gare di alto livello, ringrazio il Comune e la Provincia di Bolzano per l'ospitalità, il Presidente del Comitato Provinciale Alto Adige - Sudtirolo della FIN Walter Taranto per il supporto nell'organizzazione e le professionalità profuse.

Il FINA DIVING GRAND PRIX è uno degli appuntamenti di spicco e di maggior prestigio del calendario internazionale FINA. Dopo un anno di pausa forzata dovuta alla pandemia, è ancor più grande la gioia poterlo nuovamente ospitare sul nostro territorio.

È in primo luogo merito del grande lavoro e della meticolosa capacità organizzativa cui la sezione Tuffi di

Bolzano Nuoto ci ha abituati anno dopo anno se è possibile ospitare per la 26esima volta a Bolzano questo prestigioso evento del circuito internazionale FINA. Un costante impegno, che ha contribuito anche a dare linfa all'entusiasmo per questo sport a livello locale e che, di conseguenza, ha avvicinato a questa disciplina tanti bambini del territorio e non. Bolzano è così diventata casa dei tuffatori, anche di massimo livello, come Tania Cagnotto.

Possiamo quindi aspettarci gare mozzafiato al FINA DIVING GRAND PRIX di luglio a Bolzano! Auguro a tutti gli atleti di ottenere i risultati per i quali si sono a lungo allenati e al pubblico di vivere momenti di vera emozione. I miei più sinceri ringraziamenti vanno infine alla sezione tuffi di Bolzano Nuoto per aver ancora una volta splendidamente organizzato questa grande manifestazione sportiva.

Es ist dies für die Wasserspringerinnen und Wasserspringer weltweit eine der traditionsreichsten und prestigeträchtigsten Veranstaltungsreihen. Umso erfreulicher ist es, nach einem Aussetzjahr, aufgrund der Pandemie, wieder diesen Wettbewerb auszutragen zu können.

Vor allem die großartige Arbeit und Organisation, welche die Sektion Wasserspringen des Schwimmvereins Bolzano Nuoto Bozen Jahr für Jahr aufbringt, hat dazu geführt, dass diese bedeutende Sportveranstaltung des internationalen Wassersportverbands FINA nun schon zum 26. Mal in Bozen stattfinden kann. Die daraus entstandene Wassersportbegeisterung hat zahlreichen Talenten den Weg in internationale Wettkämpfe geebnet. Ausnahmesportlerinnen wie Tania Cagnotto zeugen von der großartigen Nachwuchsarbeit, welche in Südtirol seit Jahren auch im Bereich des Wasserspringens verfolgt wird.

Wir können uns somit auf spannende Wettkämpfe freuen, welche im Rahmen des FINA DIVING GRAND PRIX im Bozner Hallenbad ausgetragen werden. Allen Sportlerinnen und Sportlern wünsche ich viel Erfolg. Mein aufrichtiger Dank geht an die Sektion Wasserspringen des Schwimmvereins Bolzano Nuoto Bozen für die Organisation dieses bedeutenden internationalen Wettbewerbs.

The sport of diving has always been at home in Bolzano. This may sound as a paradox for a mountain town which is considered the “Gate of the Dolomites”, but it is not. The outstanding training center of Bolzano has been a prolific contributor to the international success of Italian divers over the years. Because of the many Olympic and World medals won over the

time, the “Diving school of Bolzano” has become a sort of legend. Thanks to the commitment of gifted technicians and managers during Covid-19 everybody gave its best not to interrupt the training to achieve the expected sporting results and always offer new opportunities to young recruits.

This year more than ever I'm proud that Bolzano will have again the honour and pleasure to host one of the most important international diving competitions, the FINA Diving Grand Prix. Supporters and guests can look forward to a world-class event which brings together the best divers from all over the world, with a competition programme that includes springboard, platform and synchro.

I would like to thank the organizing committee of Bolzano Nuoto for its great preparatory work and warmly welcome all athletes competing at the 2021 Bolzano Grand Prix event. I hope you will feel at home in our diving capital!

I tuffi a Bolzano sono di casa. Da sempre. Un paradosso forse per una Città di montagna considerata “Porta delle Dolomiti”, naturalmente votata agli sport che in montagna si praticano. Eppure i tuffi fanno eccezione. La gloriosa “scuola di tuffi bolzanina” si è trasformata in leggenda grazie alle tante medaglie olimpiche e mondiali che l'hanno caratterizzata nel tempo. Malgrado il Covid-19 atleti, tecnici e dirigenti hanno continuato ad impegnarsi per dare il meglio di sé per raggiungere i risultati sportivi attesi e offrire sempre nuove opportunità alle nuove leve.

Quest'anno più che mai sono perciò orgoglioso che la Città di Bolzano si confermi nuovamente sede del Meeting Internazionale di Tuffi, il Fina Diving Grand Prix. Ci saranno come da tradizione i migliori tuffatori del mondo. Un evento sportivo di altissimo livello tecnico ed agonistico. In questa particolare circostanza, oltre ai sinceri complimenti agli organizzatori della Bolzano Nuoto, voglio perciò rivolgere un caloroso indirizzo di saluto e benvenuto ai tanti protagonisti della manifestazione, con l'auspicio che nella nostra Città possano sentirsi come a casa. Bolzano la casa dei tuffi!

POOL PLAN

GENERAL RULES

The competitions will be conducted in accordance to the FINA Rules and Regulations.
There will be men's and women's individual and synchro events.

INDIVIDUAL EVENTS

In 3 meter springboard and 10 meter platform: preliminaries, semifinals and finals by Tournament System (dives without limit).

The format for the individual events in the Fina Diving Grand Prix is the tournament system based only on dives with unlimited degree of difficulty (men six dives, women five dives). The tournament consists of a preliminary competition, two semi-finals with six (6) divers in each and a final with six (6) divers. Semi-final "A" comprises the divers ranked 12-10-8-6-4-2 and Semi-final "B" comprises the divers ranked 11-9-7-5-3-1 in the preliminary competition, however not more than two (2) divers from the Organising Federation and the invited Federations may be counted among these twelve (12) divers. In the finals, the three (3) best divers from both semi-finals meet. In the semi-finals and finals, the divers start in the reverse order of their placing in the preliminary competition.

SYNCHRO EVENTS

In 3 meter springboard and 10 meter platform synchronized: direct Finals, according FINA Rule D 3.7

The maximum number of divers who can participate in an individual DGP event is 4 from the host Federation and 4 from each visiting Federation. Each host may invite additional divers to compete in the events as they deem appropriate. The maximum number of divers who can participate in an individual DGP event is four (4). The host federation may enter 2 teams in the direct final of a synchro event but only the best team can step on the podium. No additional divers or teams are allowed to start in a DGP meet, which means that participation in the form of exhibition is not allowed. The mixed synchro events are added also this year in this Bolzano FDGPX. A man and a woman compose the team performing 5 dives selected from 5 groups, 2 with limit 2.0 and 3 without limit. The timetable of the Event could be changed for technical reasons during the Technical Meeting according to the number of athletes entered in each competition and for TV schedules.

AWARDS

The top 3 places of each Event for both, men and women, will be awarded with medals.
