Quando si parla di tuffi, Bolzano e l'Alto Adige rivestono da decenni un ruolo molto importante a livello internazionale. Merito dei pionieri di questo sport come Klaus Dibiasi e Giorgio Cagnotto, ma anche di Tania Cagnotto, che proprio dai trampolini e le pedane della piscina del capoluogo hanno costruito con passione e sacrificio le loro fortune sportive. Sono lieto di salutare il ritorno di una nuova edizione del "Bolzano Diving Meeting", in programma dal 3 al 5 luglio 2026.

A tutte le atlete ed atleti provenienti da tutto il mondo, agli organizzatori, i volontari e anche al numeroso pubblico che sono certo non farà mancare il proprio calore, auguro un meeting ricco di successi e spettacolo.

Bozen und Südtirol nehmen im Bereich des Wasserspringens seit Jahrzehnten eine wichtige Rolle auf internationaler Ebene ein. Dazu beigetragen haben insbesondere Pioniere dieses Sports, wie Klaus Dibiasi und Giorgio Cagnotto, aber auch spätere Spitzensportlerinnen wie Tania Cagnotto. Auf den Sprungbrettern und -türmen der Landeshauptstadt haben sie mit viel Leidenschaft und Engagement an den Grundlagen ihrer späteren Erfolge gearbeitet. Es erfüllt mich mit Freude, dass eine neue Ausgabe des „Bolzano Diving Meeting“ vom 3. bis 5. Juli 2026 nach Bozen zurückkehrt.

Allen Athletinnen und Athleten, welche aus allen Teilen der Welt anreisen, den Organisatoren, den vielen Freiwilligen und dem anwesenden Publikum wünsche ich eine Veranstaltung voller Erfolgsmomente, und insbesondere viel Spaß und gute Unterhaltung.

Bolzano and South Tyrol have played a very important role in high diving internationally for decades. The credit is due to pioneers of this sport, such as Klaus Dibiasi and Giorgio Cagnotto, and later top athletes such as Tania Cagnotto, who built their sporting successes through passion and sacrifice on the diving boards and platforms of the provincial capital city's pools. It is my pleasure to welcome back to Bolzano a new edition of the "Bolzano Diving Meeting", scheduled for 3 – 5 July 2026.

I wish all the athletes arriving from all over the world, the organizers, the many volunteers and also the spectators attending, an event filled with success and, above all, lots of fun and good entertainment.
